

Electrician Superintendent – Job Posting for Clements Electrical, Inc.

Job Description:

Clements Electrical, Inc. is a Commercial, Industrial, and Institutional Electrical Contractor and is looking for a team player who will be committed to getting the job done to the highest standard. You will need to be able to manage large and small electrical projects with a crew anywhere from 2-20 workers, coordinate with other trades, attend contractor meetings and hold to a construction schedule. Daily tasks will include coordinating materials needed on the job on a daily basis, lay out each crew members' task and ensure they are staying on track and problem solving technical and construction issues. Not only will you be managing but working on your tools will be required as well. Jobs completed by Clements Electrical vary from repairs, additions, service, renovation and new construction. You will be reporting to and meeting with our Project Managers as assigned on a regular basis. Our typical areas of work are as follows: Pickens County, Greenville County, Anderson County and Oconee County. We are rarely working on projects out of town. You will only be required to work on your tools for the smaller projects with little to no crew. On larger project your main focus will be running the job. Working on Holidays is rare as well but sometimes it is our only option when it comes to deadlines and shutdown work.

Job Responsibilities and Skills:

- Highly Detail Oriented
- Read Construction Plans
- Work with hand tools
- Organize Crews on job
- Prepare and Submit Daily Reports when necessary
- Coordinate Deliveries of Materials to the job site
- Be punctual or early in order to go through job set up on jobs with large crews
- Have vast knowledge of electrical theory and aspects of electrical service including the voltages, amps, single and three phase, etc.
- Work on live power when absolutely necessary with proper protection
- Install conduit, wiring, devices, fixtures and switchgear
- Handle and submit legible paperwork such as time sheets, material lists, as-built drawings, safety reports, etc.

Job Requirements:

- A Criminal Background Screen and Drug Test will be required
- A minimum of 10 years work experience is required
 - In the following markets: schools (K-12 & higher education), commercial, industrial, municipal, site work, etc.
- Must complete on the job training under senior superintendent as required to confirm expertise

- Must possess a South Carolina's Driver License in good standing with the DMV if driving a company vehicle
- Steel Toe Boots, Pants, and sleeved shirts must be worn at all times
 - Proper safety wear must be worn when required such as: Hard Hat, Gloves, Safety Glasses, High Visibility Shirt or Vest, etc.
- Must be reasonably local
 - Anderson, Oconee, Pickens or Greenville County
- Personal Hand Tools (Power Tools will be provided when necessary)

Job Type:

- Full Time Employment (Hourly with OT)
- Benefits
- IRA Program
- One Week Paid Vacation
- Company Vehicle
- Company Phone
- Holiday Pay
